## Three Day Health Warranty

You must have your puppy examined by a licensed veterinarian of your choice with (3) days of purchase. If your puppy, in the opinion of the veterinarian, has any physical problems considered to be life threatening, we will provide you with a healthy replacement puppy of equal value. If there are no puppies available, one will be provided from the next available litter whelped. If you choose a puppy of greater value, then you will be responsible for the cost difference. To make a claim, you must return your puppy to Tracy or Kirk Newton within 7 days of purchase. Also, provide a signed statement from the veterinarian proving date of examination as to why the puppy is a poor health risk. The statement must include a description of the symptoms supporting the opinions. There will be no refund on shipping charges and all deposits are non-refundable. Note: There is no warranty against Hypoglycemia, Coccidiosis, Parasites, and Viral or Bacterial Infections.

## General Terms and Conditions

Failure to have the puppy examined with (3) three days of purchase VOIDS ALL WARRANTIES. If you are not provided with a replacement puppy within 180 days of warranty claim, (of same sex, breed, and retail value of the original puppy purchased), then you will be entitled to a full cash refund of your puppy's original purchase price.

**Note: There is no guarantee that this puppy can be shown or bred.**
